

Summer Program Guidelines:

- Before registering for a summer program week, please be advised: Register for riding at a time when you can attend all scheduled classes. **(We do not offer make ups, unless there is a cancellation by the instructor)**
- At their discretion, instructors may plan non-mounted ground classes in the case of horse illness, excessive rain, wind or temperature that make it unsafe to be mounted.
- Lesson content includes: safety, grooming, ground handling, tacking, correct body position, harmony with the horse and confidence building
- For safety reasons we do not allow observers in the arena or stable area during classes, but let us know if you would like to take photos of your favorite rider in a lesson.
- Please do not arrive more than 5 minutes before the start of each day.
- Every rider in every class must wear properly fitting ASTM/SEI approved helmets.
- Riders must wear long pants that reach the ankle when riding and they must wear sturdy closed toe/heel shoes.
- Each rider must have an updated Summer Program enrollment packet on file in the office and have summer program week fee paid prior to the schedule week.
- "Horse Play" will not be tolerated in the stable or arena area.
- Positively no alcoholic beverages allowed on the property.
- Smoking is allowed only inside a personal vehicle or in the designated smoking area.

I agree to abide by the above written guidelines. I understand that if payment in full is not received on or before the first scheduled riding lesson, my rider will not participate in class and will forfeit participation in said session.

I understand and agree that these Rider Registration and Release Forms are valid for one (1) year. It is my responsibility to provide Star with any changes or updates during this period. Star will provide these forms on an annual basis.
