

Welcome to Star Equestrian Center! We have over 20 years' experience enhancing quality of life for children and adults of all cognitive, physical, and social abilities.

Our minimum age is 6 years old to be considered for our riding program, and our maximum weight we can accommodate for horse safety reasons is 230 lbs.

Star Equestrian Center operates year-round on an 8-week session schedule, offering a total of five sessions each calendar year (winter, spring, summer I, summer II, fall). Each session is followed by a week for make-up classes, if needed, and a horse break week where there are no classes.

Fees for lessons are dependent on session format (group, semi-private, or private) and commitment to an entire session vs the occasional lesson. Fees are listed on our enrollment packets reflecting the total for an 8-week session or are available upon request.

Application Process:

1. Read and understand enrollment packet Participant Program and Payment Guidelines.
2. Complete and submit entire enrollment packet. Packets are not considered complete until all forms are returned and signed correctly.
3. Each applicant will be individually screened for precautions and contraindications; further information may be requested by Center Director.
4. Once completed participants will be scheduled for the next session or lesson week via a phone call or email from our office manager.
